

Coherent Paragraph Assignment

Directions: The goal is to encourage students to create a coherent “narrative” by weaving terms, people, and concepts into a chronologically coherent paragraph. In order to weave the terms, people, concepts into a quality paragraph it is essential to provide the “context.” A laundry list that includes the terms and uses weak or underdeveloped transitions will not work. The content necessary for a passing grade can be drawn from guided reading questions from the textbook, talking points, or video clips presented in class. You are limited to 1 page of writing and you will be given 10 minutes to prepare and 10 minutes to write your paragraph.
