

Jefferson's Presidency

Directions: Read chapter 6 section 3 "Jefferson Alters the Nation's Course" in your textbook *The Americans* and complete the following activities. It is vital that you use the information from the text and not from other sources as this is the information you will be responsible for on tests and quizzes.

Define each of the following terms in the center column and create a non verbal representation of the DEFINITION in the right hand column. (2pts each)

Term	Definition	Non Verbal (Picture)
Lewis and Clark Expedition		
Aaron Burr		
John Marshall		
Judiciary Act of 1801		
Midnight Judges		
Judicial review		

Directions: Complete the cause and effect chart below. Below each event in the center column, create a definition for the event. In the left hand column, list and describe the causes of the event. In the right hand column, list and describe the effects of the event.

Causes	Event	Effects
	<i>Marbury v. Madison</i>	
	Louisiana Purchase	

Directions: Read the appropriate sections of the sections and fill in as many facts as you can about the event or idea in the right hand column. Then determine which THREE facts are the most important and write those in the center column. In the left hand column, write a sentence summarizing the event using your three facts.
